#### Commerce Lab

Today commerce and business education is the second most attractive course after engineering, this is due to the quick placement and attractive salary obtains by the candidates. Employers prefer commerce graduates because conceptual/theoretical knowledge of business which is useful to the organisational activities and recruitment of such commerce degree candidates reduces the cost of training

A dedicated commerce lab for the benefit of staff and students has been initiated in the premises to develop global competency and keep them update with recent practices in the business world. Commerce Lab provides practical exposure of the process and procedures followed by organisations in conducting commercial practices. The lab provides practical orientation to students by linking the subject syllabi with practical training in the lab

#### Role and Functions of Commerce Lab

- To provide practical exposure of the process, procedure and practices followed by the organisation in conducting commercial practices and expose the students with all forms/formats/formalities
- To provide practical orientations to students while teaching the subjects according to the syllabus by linking it with the Lab practical.
- To improve reasoning and analytical abilities of the students.
- To creates more interest among the students on the subjects
- To make the students aware of ability and applicability of commerce documents for their day to day routine process.

- List of the Documents displayed in commerce Laboratory
  - List of items used in the day to day banking
  - 1. Deposits Types-Forms/Chillan/Formats
