### 2.3.2 Teachers use ICT enabled tools for effective teaching –learning process

The college provides well equipped classrooms with permanently installed and operational projectors. Teachers utilized these for the purpose of teaching through presentations, videos and other relevant materials. The student evaluation is also done through presentations. During Lockdown, the ICT tools were used to take online classes through Google Meet. Google classroom, YouTube and what Sapp were used to stay connected with the students and passing on relevant information and study materials.

#### ICT tools used by teachers

- Whats app groups for day to day interaction with the students
- Power Point and Video presentation on related topics
- Online classes on Google Meet App for live interaction with students during Lockdown
