About the IAGC '17

The Government First Grade College (GFGC) the Women, Davanagere was established in August 2007 with just 127 students. Inaugurated, initially the college was inaugurated by the Hon. B.C. Gowd and B.M. Kamblithi. Gradually the strength increased and now we can proudly say that the college has nearly 1000 girls students with one more law programme of B.A., with P.H.D. and PGD programmes adding to its facilities. Presently the college is running all the programmes in the independent new building located near Nagaraj's Park at 2 acres of land in its beautiful campus of 12.50 of the IAGC, Nov. 1998. The seminar was organized by National Assessment and Accreditation Council (NAAC) Grade B.

About the ARMFC College:

ARMFC College has established its academic reputation and gradually rose to prominence in 1999. The college offers variety of courses like B.A., B.Com & M.Com in the month of the students. ARMFC is inspiring the students to grow to great heights with well-organized curriculum.

Apart from providing University education we instill confidence & skills among students to compete in global environment & to face the challenges of life. We can proudly say that our management-oriented education through seminars, workshops, community work along with NSS, NCC, Sports, Science and Gender, Art and Cultural activities. The motto of our institution "Light the students with higher education with all-round development" is reflected in our academic set up.

About the Seminar:

It was witnessed that demonetization is a very timely affair with printing of these currency notes. It caused some early cracks, but slowly, decline in agricultural incomes, social discontent, and GDP growth rate slowed by 2 per cent. But it holds potential for some good results in the long run through higher rate of tax collection, instant interest rates, dividend of fresh money and hike in sales, decline in corruption and private savings, and increase in GDP. Therefore, it is necessary to study the impact of demonetization on Indian economy. A number of follow-up activities can minimize the risks and maximize the benefits of demonetization, which include tax reforms, reducing money deficit & tax rates, incentives for tax compliance and finance the digital economy. To achieve these specific objectives, policy makers and academicians must formulate a developmental strategy for the road ahead during post-demonetization period.

Therefore, there are many issues and intricacies that need to be discussed pertaining to the new monetary policy of India in the form of Demonetization of nearly 80 percent of currency in circulation. With this background, **Two-Day National Seminar on Demonetization** is being organized on 13th & 14th October 2017 at 11:00 AM in Seminar Hall, GFGCW, Davanagere.

Objectives of the Seminar:

The objective of the seminar is to bring economic progress, sustainability, income level, savings, performance, government expenditure, and other related issues in a common platform to present, discuss and debate on the "Impact of Demonetization on Indian Economy, Post-Demonetization Issues and Intricacies".

Such Features:

1. Discussion and its impact on Economy & Social Welfare.
2. Demonetization leading to Digital Economy, Financial and Strategic.
3. Demonetization: A step towards Eradication of Corruption and Black Money.
4. Demonetization and its-Sector of Implications.
5. Demonetization via-its Tax.
6. Demonetization Indian Banking System.
7. High-level discussion of seminar topic.

Call for Papers Presentation & Publication:

Papers based on research, experience and conceptual ideas are invited. The papers should be accepted by an academic committee. The abstract approved by the committee shall be accepted for presentation in the seminar. Further the papers are submitted will be accepted & accepted research papers for possible publication in ISSN-ISSNS.

Therefore, there are many issues and intricacies that need to be discussed pertaining to the new monetary policy of India in the form of Demonetization of nearly 80 percent of currency in circulation.
