DISTINCTIVENESS OF THE COLLEGE

The college is located in an urban area, where a large number of student enrolled and parents and family members of surrounding villages and students who ignore education forget about the idea of getting education from these areas and prefer to ignore the potential of their children who are unaware of school and post-secondary opportunities. Therefore, there is a critical need to help educate and raise awareness about higher education.

Our college is working hard in this area and making every possible effort from all its members. An organization that brings the best humanitarian values and quality education to the rural people. Our college is unique in Davnagere, one of the unique features of the institute is that the college is located along the connecting ring road and is well connected with the means of transport for the benefit of the students. More than 96% of the students enrolled are belonging to reserved category ever since the inception of the college. College always strives for academic excellence. Our esteemed Management very much focussed and committed to fulfil the institutional Vision by motivating faculty members and facilitating necessary infrastructural facilities from time to time.
